## TEMPLE BEERS

---

### **BICYCLE BEER 6/ 11.5**

#### **Summer Ale (4.2%)**

Our own custom blend of seven hops gives a fresh, spicy hop aroma and smooth flavour with subtle overtones of citrus and summer fruits. The brewing process enhances the mild hop profile and compliments the soft malt character while leaving a dry finish on the palate. It's designed to quench your thirst and is light enough to get you back on your bike.

**2015 AIBA BRONZE MEDAL WINNER:  
ENGLISH SUMMER ALE**

### **ANYTIME 6/ 11.5**

#### **Pale Ale (4.7%)**

Anytime is a smooth, clean Pale Ale that delivers the big hoppy aroma and flavour you'd expect from an India Pale Ale, but is low enough in alcohol that it's drinkable anytime. Brewed using the best local and American hops, this sessionable ale is reminiscent of big, fresh classic Pale Ale's but unlike anything you've ever tasted.

**2015 AIBA TROPHY & GOLD MEDAL  
WINNER: BEST INTERNATIONAL  
PALE ALE**

### **POWER STANCE 9 (400ml)/ 13.5**

#### **German Pilsner (5.1%)**

Brewed with 100% German Pilsner malt and noble German hops the Power Stance Pilsner displays complete traditional characteristics. A full flavoured Pilsner with a slight malt sweetness, crisp, dry finish and firm spicy bitterness from the use of Hallertau and Spalt noble hops. This is our stance on quality, this is our stance on tradition, this is Power Stance.

**AIBA SILVER MEDAL WINNER:  
GERMAN PILSNER**

### **RYE HARD 7/ 13.5**

#### **Rye IPA (6.3%)**

Rye Hard is burnt orange in colour with a lacy, creamy head. The aroma is a blend of floral, herbal and citrus notes with a spicy, fruity finish from the addition of Braming Cross and Santiam hops. This IPA features eight unique hops and its full, malty flavour has hints of orange, mandarin and an earthy hop bitterness, which finishes dry and spicy from the addition of rye. Yippeee Rye Aye!

**2015 AIBA SILVER MEDAL WINNER:  
IPA/ OTHER**

### **NEW WORLD ORDER 7/13.5**

#### **American Stout (6.5%)**

New World Order is everything you could want in an American stout. It's blacker than the night with a dense, creamy head and aroma of molasses, tobacco and fresh berries. A full-bodied palate with roasted malt and coffee notes, followed by the distinctive spicy and earthy citrus flavours from the American hops.

**2015 AIBA SILVER MEDAL WINNER:  
STOUT/ OTHER**
